IMPORTANT SERVICE NOTICE

INFORMATION BULLETIN NO. 106

TO:	MASSEY ENERGY
FROM:	RISK MANAGEMENT DEPARTMENT J. H. FLETCHER & CO.
DATE:	OCTOBER 2007
SUBJ:	HYDRAULIC PRINT REVISIONS

Our records indicate that your company purchased the following equipment:

SERIAL NUMBER	MODEL
//////	RRII

Enclosed is a set of revised hydraulic prints for the machine(s) listed above. The revised prints replace the prints you have in your Fletcher Service Manual and Parts Book (one paper and one laminated copy). **The revised prints reflect new pressure settings for the feed control circuit.**

Fletcher requests that you remove the old hydraulic prints from the Service Manual and Parts Book and replace them with the revised prints enclosed with this notification. Destroy the old prints.

An extra copy of the prints has been included for your maintenance foreman to share with any individual who performs maintenance on Fletcher equipment.

Fletcher appreciates your cooperation in changing out the drawings as soon as possible. Our goal is to provide the most updated information we can to facilitate the proper maintenance and safe operation of your Fletcher equipment.

If you have any questions regarding the revised drawings, please do not hesitate to contact our Risk Management department or your local Fletcher service representative.

When you have completed the replacement of drawings in the Service Manual and Parts Book, please complete the verification form included with this notice. If you no longer own this equipment, we request that you provide the name and address of the current owner on the enclosed form.
